## How do I set up Favorite channels?

There are a couple ways to set up a list of your favorite channels and be able to view just those channels in your on scree guide.

<i>Fioptics</i>	U		
	SETTINGS	SYSTEM & ACCOUNT	
	Accessibility OnePass Manager To Do List		Customize your experience, including favorite channels, OnePass Options and more.
	Parental Controls Audio Settings		

The first way is to go into the Menu settings and select User Preferences.

Next, select Favorite Channels.

From the full list of channels, check the box for each channel you would like to include in your Favorites list.

Note: All channels will be listed in the channel list; however, you will only have access to those channels you are subscribed to. To add channels to your line up please visit MyCincinnatiBell.com.
